**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. We are senior citizens and cannot afford to stay with the big companies like AT&T. We live in a small community and don't have a lot to choose from. We were with the local big company and can not afford. We now have fiber and love it. Better service, less problems and prompt service.  
Please do not take away our broadband competition.
